

Application for WOMBAT/WICO Student Support Scheme

Eligibility

To be eligible for the WOMBAT/WICO student support scheme, you must:

1. Be currently enrolled in an honours or postgraduate degree program in a mathematical science, at an Australian institution.
2. Be a member of AustMS and MoCaO, or join at the time of this application (AustMS and MoCaO student memberships are free; [details are here](#)).
3. Provide details of the estimated costs of your travel and participation, including accommodation and air fare estimates.
4. Provide details of what other funding is available to support your participation; note that the total available support is limited and will not be sufficient to cover all of your costs.
5. Have your application endorsed by your supervisor (we will contact them by email).
6. Attend and present on your work at the conference.
7. (After the event) Provide paid invoices before any support can be processed.

Preference will be given to students from under-represented groups and PhD students nearing the end of their degree.

Application Instructions

In the application form on the WOMBAT website, be sure to:

1. Provide details of (1)—(5) above, including estimated graduation date, supervisor contact details, and details of any publications or preprints to come out of your research so far.
2. Include a copy of the title and abstract you have submitted for WOMBAT/WICO 2023.
3. Make sure all included email addresses are institutional ones.

Note about cancellations and COVID-19

We will not provide support for your trip if you must cancel it before departing for any reason (including illness or a positive COVID test). Make sure that your trip is properly insured for such eventualities (check with your institution).

Questions?

Contact the WOMBAT/WICO organisers with questions.
